Programs

Autocross Report: Dave reports we had an even on Sunday with 62 participants and 14 runs per person. The event was more relaxed with two run groups and people seemed to appreciate the break. We had above average attendance despite other events in the area. Next up is the North Country Rumble at Canaan.

Rob brought up a discussion around passengers riding along at events. Our requirements are the same for passengers as drivers, 16+ with a driver's license, approved helmet, and parental waiver if applicable.

Hillclimb Report: Mike reports the Ascutney event on Sept 18-19 is being planned. Don can't make it, so we are working on lining up another tow company and a tech inspector. Brittini has speedway taken care of.

Old Business

CTTC: Howard says preparation is going well but we do need additional volunteers. Driver waitlist spots should be close to finalized. Paul mentioned that iRacing has been brought in as a sponsor by the auto road.

Trailer Registration: Drew is working on it.

General

Clarity Car Show: Rob mentions Clarity Community Connections is having a car show and are looking for help getting people and cars there. They are doing a charity food drive as part of the event. We will see about helping advertise it. More information is at: <https://claritycommunityconnections.org/events>

Canaan BBQ: Rebecca would like to put on a BBQ Saturday night at Canaan. She is offering to take care of grilling and potato salad if we can get a grill up there. We will add a question to reg to get a headcount. The club will provide hamburgers and hot dogs, BYOD.

The meeting was adjourned at 7:58 pm. (Dave/Mike)
