Programs

Autocross Report: Dave reports that the season is over. Our event projections were close but a little high. We had 327 total entries at NHMS and 312 at Canaan over the season. Both locations brought in money for the program, however it is a slim margin for NHMS events. Dave recommends considering extra events at Canaan. Awards are being worked on for end of year. At the last event, someone hit the finish timing transmitter and we are working on getting a quote for replacement. Discussion was had around the importance of keeping both locations and looking into novice retention, maybe via a survey.

Hillclimb Report: Calvin on behalf of Mike, nothing new to report for the hill. Our club is in charge of running the NEHA Banquet this winter so planning should begin soon.

Old Business

TSD: Drew reports that we are set for the event. There will be a dirt section or two, and it will end at the Red Blazer. Veterans and active military get a free entry.

Museum update: Paul has a display case he is going to check out but would need help moving it.

Club History: Charlie is done with his update and has provided the files to Rob for publishing!

Holiday Party: Brittini will contact Ray this week and firm up plans.
